

Welcome to the first edition of the Oatlands pre-school newsletter. We will be providing a termly newsletter to let you know about all the exciting things coming up.

Before we get to that, we wanted to explain a few things that you may not yet know;

The Fundraising Committee are parents of the pre-school who have volunteered their own time to raise money.

Because Oatlands pre-school is a registered charity, all money made by the pre-school (through the fees you pay) is spent on the pre-school. Your fees pay directly for the teacher's salaries, equipment and any activities the children take part in. There is no profit making at Oatlands Pre-School.

Our role is to help support the pre-school with any extra funds so that the children can have extra activities and equipment. The money raised last year enabled us to

purchase Nexus magnetic boards, larger construction toys and diggers for the children. It also paid for a new caterpillar tunnel for the outdoor area. In May we had a farm visit the pre-school which the children loved and the money raised will also pay for the Christmas Party entertainer for this December: Pixie.

So far this term we have built the new website, designed and written this Newsletter and have updated our Facebook page to keep you informed of events <https://www.facebook.com/groups/2040902339477725/>

We are producing a target chart so you can see how much we are saving and what we are saving for.

Every penny goes to benefitting ALL the children at our pre-school, if anyone wants to get involved please let Katie Bell or Caroline Donnelly know. The more the merrier! We hope you enjoy this first issue and we look forward to seeing you at some of our events this year.

Great opportunity for parents to get together too.

This is NOT an Oatlands Preschool arranged event. But a social event arranged by the Fundraising Committee. Every child needs a responsible adult with them and it is the parent/carer/guardian's responsibility to get them to the Theatre and look after them for the duration of the event. No responsibility can be taken by the Fundraising Committee for cancellations after payment has been received in the event of a child being ill or unable to attend on the day.
